

## **TORON, INC. (OTC:TRON) PROVIDES CORPORATE STATUS UPDATE**

TUCSON, ARIZONA – October 2, 2018 - Toron, Inc. (OTC Pink: TRON) provided its stockholders today with a corporate update.

On September 17, 2018 a fraudulent press release regarding the InMed Group transaction was issued through Newsfile in Toronto, Canada. We immediately took action and contacted Newsfile, OTC Markets and Toron's legal counsel. Newsfile within hours retracted the release. We are working with Newsfile to find the source of the fraudulent release. Rene Ortiz Morentin, Toron's Chief Executive Officer, stated "We will investigate this heinous action to the fullest extent possible and we will not rest until we have found the source of the fraudulent press. We will prosecute the one's responsible to the fullest extent of the law. Together with Newfile, we have already made several discoveries. Perpetrators of falsehoods are never as stealthy as they believe."

Diligent shareholders recognized that the phone number in the fraudulent release was not a valid Toron contact number. We thank you for your diligence.

We continue to work towards completing the InMed acquisition.

Toron's and iMedScan websites have returned. We are working with our developers to complete the revamping of our websites.

Statements in this press release that are not historical fact may be deemed forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Although Toron, Inc. believes the expectations reflected in any forward-looking statements are based on reasonable assumptions, Toron, Inc. is unable to give any assurance that its expectations will be attained. Factors that could cause actual results to differ materially from expectations include the company's ability to meet the conditions necessary to, among other matters, obtain a public listing on a major national exchange.
