

Investment Agreement Between Laredo Resources Corp. and Amethyst Mining Company Daebong Amethyst

A photo was taken to commemorate the investment agreement between LAREDO RESOURCES CORP., located in Las Vegas, NV, with a symbol LRDR, resource development company listed on Nasdaq OTCBB, and Daebong Amethyst, an amethyst mining industry in Hwacheon, Gangwon Province.

From the left, the first is the chairman of Hi Investment Trust Ji-hong Kim, the second is Chairman Sung-jin Park of Daebong Amethyst Mining, the next is the Chairman of Doo-ho Park of LRDR signing Nasdaq OTCBB and lastly, the director Yoondo Kang have an investment agreement, reserves estimated at more than KRW 1 trillion, and an investment agreement between the companies will be concluded to promote the development of high-quality amethyst mines, one of the top five gems in the world.

As the only large-scale amethyst mine in Korea is being developed, it is in the spotlight in various fields such as health, beauty and architecture. So the attention to the LRDR, registered in Nasdaq OTCBB, is focused and the share price is expected to increase.

By preparing various designs utilizing the unique characteristics of amethyst jewelry, and setting up base center not only in Korea but also in China, Japan, Southeast Asia, South America, Brazil and Europe, amethyst made in Korea will be imaged as a world-class jewel and we look forward being a world class jewelry product, Laredo Resources Amethyst.
