

## QUALIBOU ENERGY INC. ANNOUNCES CHANGE IN BUSINESS

LAKEWAY, TEXAS, October 22, 2019 (OTC MARKETS) – Qualibou Energy, Inc. (OTC: QALB) announces that it has changed its business model. Qualibou Energy, Inc. (‘the Company’) will no longer be focusing on acquiring and developing power generation opportunities in the Caribbean. It is transitioning into a security solutions and risk management services company to be based in Houston, Texas. The Company now offers custom security solutions to individuals, corporations, and governments.

### **About Qualibou Energy, Inc.**

Until recently, Qualibou Energy, Inc. main focus was the acquisition and development of power generation opportunities in the Caribbean. It is now a security solutions and risk management services company based in Houston, Texas. The Company offers custom security solutions to individuals, corporations, and governments. Services offered include: risk assessment, training, crisis management, protection, support and intelligence. Client contracts range from hourly to yearly depending on the type of service being provided. CPSI can fulfill any client contract by utilizing a network of specialized consultants drawn from a database of former: US Navy Seals, Special Forces, Marine Corps, Naval Operations Special Units, FBI and CIA Field Agents.

### ***Forward-Looking Statements***

*Except for the historical information contained herein, the matters discussed in this press release are forward-looking statements. Actual results may differ materially from those described in forward-looking statements and are subject to risks and uncertainties. See Qualibou Energy, Inc.'s filings with OTC Markets, which may identify specific factors that may cause actual results or events to differ materially from those described in the forward-looking statements.*

### ***Safe Harbor Statement***

*This release includes forward-looking statements, which are based on certain assumptions and reflect management's current expectations. These forward-looking statements are subject to a number of risks and uncertainties that could cause actual results or events to differ materially from current expectations. Some of these factors include: general global economic conditions; general industry and market conditions, sector changes and growth rates; uncertainty as to whether our strategies and business plans will yield the expected benefits; increasing competition; availability and cost of capital; the ability to identify and develop and achieve commercial success; the level of expenditures necessary to maintain and improve the quality of services; changes in the economy; changes in laws and regulations, including codes and standards, intellectual property rights, and tax matters; or other matters not anticipated; our ability to secure and maintain strategic relationships and distribution agreements. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.*
