

## PROMITHIAN GLOBAL VENTURES, INC. CORPORATE UPDATE

**Salt Lake City, Utah, April 30<sup>th</sup>, 2014**

Promithian Global Ventures, Inc. (PGVI) is pleased to announce that Mr. Stephen Mooney, P. Eng. has joined the Board of Directors of the company. Mr. Mooney is a Professional Engineer registered with the Association of Professional Engineers of Yukon. Stephen holds a Bachelor of Science in Industrial Engineering from the Technical University of Nova Scotia and has been certified in Professional Project Management. Mr. Mooney is a Canadian technology and innovations specialist who guides the development, commercialization and export of sustainable cold climate technologies. Stephen promotes the practical application of cold climate technologies for subarctic regions around the world. Mr. Mooney has been the Director of the Yukon Cold Climate Innovation Centre in Whitehorse, Yukon, Canada for the past three years. From 2002 to 2010, Mr. Mooney worked in telecommunications for Northwestel in product development, product management and marketing while designing and pricing various technologies across northern Canada. Prior to this, he spent half a decade developing and implementing computer software throughout the United States.

### ABOUT PROMITHIAN GLOBAL VENTURES, INC.

Promithian Global Ventures, Inc. (PGVI) is a development stage mining company. Promithian Global is currently testing the “Main Zone” polymetallic vein on the historic Warburton property in the southern Yukon, Canada. The intrusion related quartz-carbonate vein hosts extremely high grades of silver and copper as well as lesser amounts of zinc and antimony. Intrusion related polymetallic veins are excellent targets for high grade, small scale, underground mines.

### FORWARD LOOKING STATEMENT

This news release may contain forward looking statements based on assumptions and judgments of management regarding future events or results that may prove to be inaccurate as a result of exploration and other risk factors beyond its’ control and actual results may differ materially from the expected results. The Company does not expect to update forward looking statements continually as conditions change. Important factors that could cause actual results to differ materially from the Company’s expectations are disclosed in the Company’s quarterly filings with the SEC and other periodic filings. No exchange has either approved or disapproved of the information contained herein.
