

SUPPLEMENTAL INFORMATIONAL REPORT

On June 29, 2018, the issuer, PREDICTIVE TECHNOLOGY GROUP, INC. filed updated financial statements for the three and nine month periods ending March 31, 2018. These financial statements were reviewed by the Company's Independent auditing firm BF Borgers CPA PC. The Independent auditing firm provided a financial review according to SAS No. 100 Review standards. During the review process, PRED's Independent Accounting firm and Management discovered changes and corrections to the financial statements originally filed on May 15, 2018. The Management of PRED is filing this "Supplemental Informational Report," notifying shareholders and other interested parties that they should be reading and reviewing the "AMENDED" financial statements published on June 29, 2018.
