6.) Describe the Issuer’s Business, Products and Services

- A. A description of the issuer’s business operations;

Quantum Computing Inc. had only limited operations as of June 30, 2018 but is in the process of raising capital and recruiting staff to become a software application and quantum computer development company. Originally the Company was in the business of selling ink-jet cartridges online. Ticketcart offered remanufactured and compatible cartridges for Hewlett-Packard, Epson, Lexmark, and Canon inkjet printers. Following the acquisition of Innovative Beverage Group, Inc. the Company’s business changed to the wholesale distribution of non-alcoholic proprietary New Age beverages, energy drinks and snacks. The Company held exclusive distribution rights for Texas, Louisiana, and Missouri through a distributor licensing agreement with: World Tech, Inc. (a related affiliate) for non-proprietary drinks. In 2013 the Company ceased operations due to incurring significant losses and was unable to sustain further operations.

Quantum Computing plans to enter the market for high performance computers and software applications, specifically focusing on what are known as “quantum computers”. The Company is assembling a team of experts in super computing technology and quantum mathematics, which will focus on both design and development of a quantum computer simulator (a “quantum annealer”) and several quantum software applications targeting solutions to non-deterministic polynomial applications. During the Quarter ended June 30, 2018 the Company recruited three individuals to support the technical team in developing and designing the quantum annealer and related quantum software applications. Much of the time during the fiscal quarter ended June 30, 2018 was spent starting the Company’s business and operations.

The Company’s technical leadership intends to leverage industry expertise and innovative

methods to develop quantum computer application solutions capable of solving increasingly complex problems in a more rapid and thorough manner. The Company is assembling a development team which will initially focus on addressing computational problems in the financial services, defense, heavy manufacturing, and computer security (cyber) market segments. The Company's development team includes world class mathematicians, high performance computer hardware designers, and software developers.

B. Date and State of Incorporation;

The Company was incorporated in the State of Nevada on July 25, 2001 as Ticketcart, Inc. On July 25, 2007 Ticketcart acquired Innovative Beverage Group, Inc. and changed its name to Innovative Beverage Group Holdings, Inc. On October 26, 2017 the Company redomiciled to North Carolina. In February 2018 the Company redomiciled to Delaware and changed its name to Quantum Computing Inc.

C. The issuer's primary and secondary SIC Codes;

Primary SIC Code - #5045 Computers and Computer Peripheral Equipment and Software

Secondary SIC Code - Not applicable

D. The issuer's fiscal year end date; The Company's fiscal year end is December 31

E. Principal products or services, and their markets

Quantum Computing had no products or services as of June 30, 2018 and generated no revenue for the quarter ending June 30, 2018. Quantum plans to enter the market for high performance computers and software applications, specifically focusing on what are known as "quantum computers". The Company is assembling a team of experts in super computing technology and quantum mathematics, which will focus on both design and development of a quantum computer simulator (also known as a "quantum annealer") and several quantum software applications targeting solutions to non-deterministic polynomial applications which are of interest to the markets for encryption, cyber security, aerospace/defense, finance and pharmaceuticals.
