## **5) Describe the Issuer's Business, Products and Services**

### **A. A description of the issuer's business operations:**

Eco Innovation Group, Inc. ("Company"), was originally incorporated March 5, 2001 as Dig-It Underground, Inc., a Nevada corporation that initially operated as an underground cable contractor. On September 29, 2008, the Company entered into a share exchange agreement with Haydin Group Enterprises, a sole proprietorship, and concurrently resolved to wind down its cable installation business.

By virtue of the share exchange agreement, the Company acquired an interest in Haydin's salon equipment, office equipment, lease assignments for salon locations, reception office equipment, salon stations, and remodeled salon facilities that included upgraded and permitted electrical, plumbing and signage. The Company's business focused on the operation of a string of high-end beauty salons in the Cedar Hill, Texas area.

On September 1, 2011, the Company entered into a share exchange agreement with Get Down Art, LLC, a Nevada limited liability company. The consummation of the share exchange provided the Company with original art and agreements with artists with licensing agreements with businesses. The Company acquired art inventory, accounts receivable, office leasing and build out. The Company resolved to unwind its previous acquisition of Haydin Group Enterprises, Inc. dated September 29, 2008.

On August 30, 2012, the Company acquired the Haydin Group Enterprises as a wholly owned subsidiary of the Company through a share exchange agreement wherein the Company issued fifty million shares of its common stock in exchange for all of the legal right title and interest in the assets of Haydin Group Enterprises. Haydin Group Enterprises owned a chain of high-end beauty salons that focused on skin and hair care and nail care. Haydin also promoted sales of beauty supplies and products and sold to other salons in Texas. The Haydin beauty salons retained highly trained experienced cosmetologists who had a long history with the business. Concurrently, the Company discontinued its business with Get Down Art, LLC and resolved to unwind that acquisition.

On January 5, 2016, the Company acquired Expressions Property Limited, LP, a Texas limited partnership and Expressions Chiropractic and Rehab Center, PA in a share exchange agreements. These acquisitions allowed the Company to enter into the natural healing and chiropractic business in Cedar Hill and North Richland Hills, Texas.

Effective June 30, 2018, the Company resolved and agreed to spin out Haydin Group Enterprises, Expressions Property Limited, LP and Expressions Chiropractic and Rehab Center, PA as private entities and thereby unwinding the share exchange agreements entered into on August 30, 2012 and January 5, 2016, respectively.

The Company's current business operates an Innovation Incubator platform devoted to globally important paradigm shifts in technology, sustainable products development, and research, to effectively address large known market potentials driven by natural necessity for practical and meaningful change worldwide. The Company will strategically nurture private companies toward absorption by the Company, or for initial public offerings, strategic joint ventures or other merger and acquisition transactions.

**B. Date and State (or Jurisdiction) of incorporation:**

Eco Innovation Group, Inc. is a Nevada corporation and was incorporated on March 5, 2001 as Dig-It Underground, Inc. On July 18, 2018, the Company changed its name to Eco Innovation Group, Inc. The Company has not operated under any other names during the last 5 years.

**C. The issuer's primary and secondary SIC Codes:**

Primary SIC Code: 8742      Secondary SIC Code: 8748

**D. The issuer's fiscal year end date:**

The issuer's fiscal year end date is December 31.

**E. Principal products or services, and their markets:**

The Company's initial project is to prioritize the relaunch of a well-documented, extensively tested, broadly approved and globally celebrated proprietary Affordable Housing Technology, to address the global crisis in Affordable housing and construction, whilst effectively addressing the also presently exaggerated worldwide need for secure, extreme-weather and natural catastrophe resistant structures.

## **6) Describe the Issuer's Facilities**

All administrative activities of the Company have been conducted by corporate officers from either their own offices or homes. The Company's mail collection office is located at 205 Worth Avenue Suite 201L Palm Beach, FL 33480.

## **7) Officers, Directors and Control Persons**

### **A. Names of officers, directors and control persons:**

John English	15,000,000 (Preferred) <sup>(1)</sup>	50%

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING PRACTICES**

Accounting policies and procedures are listed below. The Company has adopted a December 31 year-end.

Accounting Basis

We have prepared the consolidated financial statements according to generally accepted accounting principles (GAAP).

Cash and Cash Equivalents

The company considers all highly liquid investments with original maturities of three months or less as cash equivalents. As of June 30, 2018, the company had no cash or cash equivalent balances in excess of the federally insured amounts. The company's policy is to invest excess funds in only well capitalized financial institutions.

Earnings per share

The company adopted the provisions of SFAS No. 128, "Earnings per Share." SFAS No. 128 requires the presentation of basic and diluted earnings per share ("EPS"). Basic EPS is computed by dividing income available to common stockholders by the weighted-average number of common shares outstanding for the period. Diluted EPS includes the potential dilution that could occur if options or other contracts to issue common stock were exercised or converted.

The company has not issued any options or warrants or similar securities since inception.

Stock Based Compensation

As permitted by statement of Financial Accounting Standards ("SFAS") No. 148, "Accounting Based Compensation", the company has elected to continue to follow the intrinsic value method in accounting for its' stock-based compensation arrangements as defined by Accounting Principles Board Opinion (APB") No. 25, "Accounting for Stock Issued Employees", and related Interpretations including "Financial Accounting Standards Board Interpretations" No. 44, "Accounting for Certain Transactions Involving Stock Compensation", and interpretation of APB No. 25. As of June 30, 2018 the company has not formed a Stock Option Plan and has not issued any options.

Fixed Assets

Fixed assets are carried at cost. Depreciation is computed using the straight-line method of depreciation over the assets' estimated useful lives. Maintenance and repairs are charged to expense as incurred; major renewals and improvements are capitalized. When items of fixed assets are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in income.

#### Income Taxes

The provision for income taxes is the total of the current taxes payable and the net of the change in the deferred income taxes. Provision is made for the deferred income taxes where differences exist between the period in which transactions affect current taxable income and the period in which they enter into the determination of net income in the financial statements.

#### Advertising

Advertising is expensed when incurred.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principals generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

#### Goodwill

Goodwill is created when we acquire a business. It is calculated by deducted the fair value of the net assets acquired from the consideration given and represents the value of factors that contribute to greater earning power, such as a good reputation, customer loyalty or intellectual capital.

We assess goodwill of individual subsidiaries for impairment in the fourth quarter of every year, and when circumstances indicate that goodwill might be impaired.

#### **NOTE 2. GOING CONCERN**

The accompanying financial statements have been prepared assuming that the company will continue as a going concern.

#### **NOTE 3. RECENTLY ISSUED ACCOUNTING STANDARDS**

Management does not believe that any recently issued but not yet adopted accounting will have a material effect on the Company's results of operation or on the reported amount of its assets and liabilities upon adoption.

#### **NOTE 4. PROVISION FOR INCOME TAXES**

The company provides for income taxes under Statement of Financial Standards No. 109, Accounting for Income Taxes. SFAS No. 109 requires the use of an asset and liability approach in accounting for income taxes. Deferred tax assets and liabilities are recorded based on the differences between the financial statement and tax bases of assets and liabilities and the tax rates in effect when these differences are expected to reverse.

SFAS No. 109 requires the reduction of deferred tax assets by a valuation if, based on the weight of available evidence, it is more likely than not that some or all of the deferred tax assets will not be realized. The provision for income taxes is comprised of the changes in deferred taxes less the valuation account plus the current taxes payable.
