

Greene Concepts Inc
1865 Herndon Ave
Suite K-358
Clovis, CA 93611

SUPPLEMENTAL INFORMATION
November 19, 2018

A Green Concepts Inc. shareholder that owns majority voting control of Company thru ownership of Series A Preferred Stock has entered into an agreement to sell the controlling interest of the Series A Preferred Stock to a third party in order to affect the inducement of the new shareholder to merge in the assets of a bottling and beverage facility including land and equipment. The facility will be focused on a variety of beverage product lines including, but not limited to CBD infused beverages, spring and artesian water, as well as enhanced athletic drinks in addition to other product offerings.

Lenny Greene will remain working with the company as an interim President/CEO as the company affects the completion of the asset purchase and integration in addition to the future transition and appointment of new management to Greene Concepts in the near term.
