D. Principal products or services, and their markets;

Kali, Inc. is a marine management business that provides services to the \$5 billion marine

market. Through our roll-up strategy we will acquire and manage marine services companies to provide a comprehensive suite of services to the underserved and fragmented marine industry. Our goal is to establish a leadership position in an industry with no dominant players.

On December 01, 2016 the Company entered into a share exchange agreement with Integrity Yacht & Marine whereby the Company acquired 100% of the issued and outstanding common stock of Integrity Yacht & Marine in exchange for 2,000,000 shares of the Company's common stock.

On June 29, 2016, the Company acquired 100% of the common stock of Wave Marine & Yacht Services, a Florida corporation, in exchange for 200,000,000 common shares. Wave Marine & Yacht Services is a full-service yacht maintenance company which provides solutions for all aspects of the recreational boating lifestyle.

On July 28, 2016, the Company completed its acquisition of Florida Marine Power Company, a marine mechanical repair, maintenance and engine installation company <http://www.floridamarinepower.com>

Under the terms of the Acquisition Agreement dated July 28, 2016, Kali acquired all of the outstanding stock of Florida Marine Power in exchange for 4,000,000 shares of Kali's common stock. The transaction also created a performance incentive program for Florida Marine Power to earn additional shares of stock for the next two years if the Company achieves quarter over quarter revenue increases.

Florida Marine Power is a well-known brand in the Florida marine industry and has become one of Sarasota and Manatee County's most recognized yacht service providers. It has a strong customer centric reputation and has built an extensive network of vendors and suppliers with long-standing contracts in place.

Pursuant to an August 3, 2016 Written Consent, JR Bott was appointed President and CEO of the Company's subsidiary, Wave Marine & Yacht Services, Inc. ("Wave Marine").

JR Bott joins Wave Marine with over 40 years of boating expertise and a strong depth of sales, business development and marketing experience. He is the owner operator of a 100' mega yacht and held a Master 200 ton Captain's license. He is also a certified boat broker in the state of Florida. Prior to joining Wave Marine, Bott owned and operated a precious metals business where he drove the company's annual gross revenue to \$20mm. He served over 15 years in management with various public utility companies where he held AVP and GM titles.

On August 12, 2016, the Company effectively dissolved Kali Merger Corp., a Nevada corporation and a wholly-owned subsidiary of the Company ("Merger Sub") by filing

Articles of Merger in the State of Nevada on August 12, 2016. This filing represented the last step in the completion of the Merger with Ricochet Trading, Inc., which closed on March 8, 2016. The merger of Kali Merger Corp. and the Company is an administrative formality designed to dissolve Kali Merger Corp. in order to eliminate the need for maintaining multiple Nevada entities, and has no effect on the share structure of the Company.

Pursuant to a Written Consent dated August 30, 2016, the Company's Board approved the vending out of its wholly owned subsidiary Ricochet Trading, Inc., since it could not adequately fund the operations of Ricochet while focusing on its business model of acquisitions in the marine industry. Under the terms of the Share Transfer Agreement effective August 30, 2016, the Company assigned 100% of the stock in Ricochet Trading, Inc. to its President, Warren Wheeler, in exchange for Mr. Wheeler's release of claims against the Company. Also effective on August 30, 2016, Mr. Wheeler assigned his 15,859,000 shares of the Company's common stock to Ricochet Trading, Inc.
