

Alternative Reporting Standard: Pink® Basic Disclosure Guidelines

Federal securities laws, such as Rules 10b-5 and 15c2-11 of the Securities Exchange Act of 1934 (“Exchange Act”) as well as Rule 144 of the Securities Act of 1933 (“Securities Act”), and state Blue Sky laws, require issuers to provide *adequate current information* to the public markets. With a view to encouraging compliance with these laws, OTC Markets Group has created these Pink Basic Disclosure Guidelines (“Guidelines”).¹ These Guidelines set forth the disclosure obligations that make up the “Alternative Reporting Standard” for Pink companies. These Guidelines have not been reviewed by the U.S. Securities and Exchange Commission or any state securities regulator, although OTC Markets Group as a matter of policy welcomes comments from these and other regulators. We use information provided by companies under these Guidelines to designate the appropriate tier in the Pink Market: Current Information, Limited Information or No Information.² The information provided by companies under these Guidelines is subject to our [Privacy Policy](#).

These Guidelines may be amended from time to time, in the sole and absolute discretion of OTC Markets Group, with or without notice.

INDO GLOBAL EXCHANGE(S) PTE, LTD.
NOTES TO THE UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS
Year End July 31, 2018

NOTE 1 – ORGANIZATION AND BASIS OF PRESENTATION

We were organized under the laws of the State of Nevada on May 7, 2008 under the name “Claridge Ventures, Inc.” with an initial focus on the acquisition and exploration of mineral properties in the State of Nevada. On August 6, 2013, we effected a 1 for 4 reverse split of its common stock and changed our name to “Indo Global Exchange(s) PTE. Ltd”. We had two wholly owned subsidiaries: International Global Exchange (Aust) Pty Ltd and PT GriyaMatahari Bali. International Global Exchange (Aust) Pty Ltd is based in Australia and was set up for the purpose of entering into the introducing broker agreement with Halifax. PT GriyaMatahari Bali is based in Indonesia and was set up to allow us to operate in Indonesia under Indonesia law.

On September 23, 2013 (the “Closing Date”), Indo Global Exchange(s) Pte. Ltd., a Nevada corporation (formerly Claridge Ventures, Inc.) (the “Registrant” or “Company”), closed an asset purchase transaction (the “Transaction”) with Indo Global Exchange PTE LTD., a company organized under the laws of Singapore (“Indo Global”) and the shareholders of Indo Global (“Selling Shareholders”) pursuant to an Amended and Restated Asset Purchase Agreement dated as of the Closing Date (the “Purchase Agreement”) by and among the Company, Indo Global, and the Selling Shareholders.

In accordance with the terms of the Purchase Agreement, on the Closing Date, the Company issued 43,496,250 shares of its common stock (the “Shares”) directly to the Selling Shareholders in exchange for certain assets of Indo Global (the “Assets”) including, rights to enter into certain agreements and certain intellectual property. The Company did not acquire any plant and equipment, and any other business and operational assets of Indo Global as part of the Assets, and the Company did not hire any employees of Indo Global. Indo Global continued as an independent company, operating in Singapore after the Transaction.

On May 29, 2014, Indo Global Exchange(s) Pte. Ltd. (the “Company”) entered into an engagement agreement (the “Agreement”) with International Global Exchange (AUST) (“IGE”), PT GriyaMatahari Bali, and Kina Securities Limited (“Kina”) with an effective date of November 25, 2013. Pursuant to the terms of the Agreement, Kina appointed the Company, IGE and PT GriyaMatahari Bali (collectively, “IGEX”) to provide certain services to Kina, including use of IGEX’s comprehensive online trading platform for Kina referred clients. The platform included access to 21 global equity exchanges, account statements in real time, live streaming news and other features and capabilities. The term of the Agreement was ten (10) years subject to termination for cause or without cause upon 120 days’ notice to the other party. Kina could terminate the Agreement for cause upon the occurrence of certain events, including the following: IGEX (i) has a liquidator or receiver appointed, (ii) becomes an externally administered body, (iii) passes a resolution for winding up, (iv) is guilty of any fraudulent act or willful misconduct which is related to the Agreement, or (v) breaches the terms of the Agreement.

On November 26, 2015, the company appointed Goldhurst and Schnider of Melbourne, Australia to formally notify Kina that they were in breach of the contract. The breach was in relation to Kina making unfounded statements to the market about the company and not formally giving notice as required by the agreement. The company sought compensation from Kina for AUD \$2,400,000.

The Company generated revenue of \$3,485 and \$19,448 for the year ended July 31, 2016 and 2015, respectively. The revenue is a result of service fee and commission. These revenues were derived from client trading accounts in the form of commissions and profit share, paid by FxPro, the execution and clearing business.

On August 1, 2016 the company was informed that Kina Securities would no longer provide client referral services. As a result, the company ceased operating the trading platform and terminated its operating agreements with International Global Exchange (AUST), PT GriyaMatahari Bali and Kina Securities.

On August 1, 2016 the company agreed to abandon its legal claim against Kina Securities in exchange for Kina agreeing to release any fees still due to the company for use of its trading platform.

On October 13 and 14, 2016 the company entered into a Material Definitive Agreement and Asset Purchase Agreement with the directors of Sarissa Resources, Inc. and its subsidiaries. Whereas, upon completion, Indo Global Exchange(s) Pte, Ltd would become "Niobium Technologies Corporation". Due to several mutual breaches of the agreements by the selling and acquiring parties such as: failure to become current reporting, failure to provide audited financial statements, failure to file S1 registration and failure to submit to FINRA a name change to "Niobium Technologies Corporation" within 180 days of the entry date, the Material Definitive Agreement and Asset Purchase Agreements were terminated and unwound by default on April, 12, 2017. The company was returned to its condition prior to the entry of the Agreements.

On July 17, 2017 John O'Shea resigned as the company's President and CEO.

On July 17, 2017 Thomas Shea became the company's President and CEO.

The Company generated revenue of \$4,954 and \$19,448 for the year ended July 31, 2017 and 2016, respectively. The revenues were derived from client trading accounts in the form of commissions and profit share, paid by FxPro, the execution and clearing business.

On August 10, 2017 the company entered into a Service Agreement to operate a charter business from Green Cove Springs FL. Due to the impact of hurricane Irma the company ceased operating the charter business on October 1, 2017.

On January 25, 2018 the Company filed a Form 15-12g for certification and notice of termination of registration under section 12(g) of the Securities Exchange Act of 1934 or suspension of duty to file reports under sections 13 and 15(d) of the Securities Exchange Act of 1934.

On January 30, 2018, due to winding up the charter business, Thomas Shea resigned as the company's President and CEO.

On January 30, 2018 John O'Shea became the company's President and CEO.

The company generated revenue of \$1,500 for the year end July 31, 2018 compared to \$4,954 for the same period in 2017. Revenues were derived from operations of the charter business prior to operations being abandoned due to hurricane Irma.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Company's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") and are stated in US dollars. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date(s) of the financial statements and the reported amounts of revenues and expenses during the reporting period(s).

Principles of Consolidation

The accompanying consolidated financial statements represent the consolidated financial position and results of operations of the Company and its subsidiaries. All intercompany transactions and balances have been eliminated in consolidation.

Cash and Cash Equivalents

The Company considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Basic and Diluted Loss Per Share

The Company computed basic and diluted loss per share amounts using generally accepted accounting principles. There are no potentially dilutive shares outstanding and, accordingly, dilutive per share amounts have not been presented in the accompanying statements of operations.

Income Taxes

The Company records income taxes in accordance with the provisions of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 740, "Income Taxes." The standard requires, among other provisions, an asset and liability approach to recognize deferred tax liabilities and assets for the expected future tax consequences of temporary differences between the financial statement carrying amounts and tax basis of assets and liabilities. Valuation allowances are provided if based upon the weight of available evidence, it is more likely than not that some or all of the deferred tax assets will not be realized.

Basic and Diluted Loss Per Share

Net loss per share is calculated in accordance with FASB ASC 260, Earnings Per Share, for the period presented. ASC 260 requires presentation of basic earnings per share and diluted earnings per share. Basic income (loss) per share ("Basic EPS") is computed by dividing net loss available to common stockholders by the weighted average number of common shares outstanding during the period. Diluted earnings per share ("Diluted EPS") is similarly calculated. Dilution is computed by applying the treasury stock method. Under this method, options and warrants are assumed to be exercised at the beginning of the period (or at the time of issuance, if later), and as if funds obtained thereby were used to purchase common stock at the average market price during the period. For the year end July 31, 2018 and 2017, respectively, there were no potentially dilutive securities.

NOTE 3 – GOING CONCERN

These financial statements are presented on the basis that the Company is a going concern, which contemplates the realization of assets and satisfaction of liabilities in the normal course of business over a reasonable length of time. For the year end July 31, 2018 the Company had incurred accumulated losses since inception of \$7,592,363. The financial statements do not include any adjustments relating to the recoverability and classification of recorded asset amounts or the amounts and classification of liabilities that might be necessary should the company be unable to continue as a going concern. Its continuation as a going concern is dependent upon its ability to generate sufficient cash flow to meet its obligations on a timely basis, to obtain additional financing or refinancing as may be required, and ultimately to establish profitable operations.

Management's plans for the continuation of the Company as a going concern include financing the company's operations through issuance of its common stock. If the Company is unable to complete its financing requirements or achieve revenue as projected, it will then modify its expenditures and plan of operations to coincide with the actual financing completed and actual operating revenues. There are no assurances, however, with respect to the future success of these plans.

NOTE 4 – ACCOUNTS PAYABLE AND ACCRUED EXPENSES

Accounts payable and accrued expenses amounted to \$23,208 and \$110,166 for the year end July 31, 2016 and 2015, respectively.
