5) Issuer's Business, Products and Services

The purpose of this section is to provide a clear description of the issuer's current operations. In answering this item, please include the following:

- A. Summarize the issuer's business operations (If the issuer does not have current operations, state "no operations")

Perpetual has recently established headquarters for its operations and research and development with a principal business address at Unit F, 5634 Opportunity Blvd., Auburn, Indiana, USA, 46706. Perpetual Industries is an incubator for the development of new and innovative energy efficient technologies. Our business is in research and development of energy efficient solutions for the advancement and integration of green energy power sources such as solar, wind, and hydro to lessen the environmental impact of various industries as well as decentralized blockchain systems.

- B. Describe any subsidiaries, parents, or affiliated companies, if applicable, and a description of such entity's business, contact information for the business, officers, directors, managers or control persons. Subsidiary information may be included by reference

N/A

- C. Describe the issuers' principal products or services, and their markets

The Company coordinates research and development activities aimed at supporting innovative ideas that have the potential to impact and advance a wide range of industries on a global scale. Perpetual's sophisticated network of experts and team of business people have access to a vast international network of contacts and resources that enable the Company to provide essential components needed to take an idea from the initial stage through to commercialization.

One of the key areas of focus in the Company include research, development, and commercialization of new and innovative energy efficient products that incorporate our proprietary technology. Another key area of focus is the implementation of environmentally friendly solutions for the blockchain industry. Current research and development efforts are underway for the creation of our proprietary Green Energy Mining (GEM) System. Incorporation of Masternodes, Proof of Stake, Proof of Work, and DApps are all part of our GEM System. Our goal is to significantly reduce the cost of power consumed by miners in the fast emerging global Blockchain and Crypto mining industry. The Company has also developed a proprietary technology known as The XYO Mechanical Balancing Technology. XYO is designed specifically to eliminate vibration in rotating equipment to create energy efficient, environmentally responsible products.

Perpetual continues to include the XYO Technology in its business plan to be executed in four key categories:

- a) Prototype evaluation projects and commercialization of XYO implementations.
- b) Integration with the GEM Mining System.
- c) Creation of an XYO enhanced domestic Washing Machine.
- d) Optimization of a wind turbine utilizing the XYO Technology.

The Company is expanding its expertise and knowledge of energy efficient technology by developing low cost, green energy powered solutions for a variety of industries including renewable energy, blockchain mining, artificial intelligence, graphic rendering, internet of things (IoT), and cloud computing while continuing our research, development, and commercialization of the XYO Technology in key applications.

6) Issuer's Facilities

The goal of this section is to provide a potential investor with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer.

In responding to this item, please clearly describe the assets, properties or facilities of the issuer, give the location of the principal plants and other property of the issuer and describe the condition of the properties. If the issuer does not have complete ownership or control of the property (for example, if others also own the property or if there is a mortgage on the property), describe the limitations on the ownership.

If the issuer leases any assets, properties or facilities, clearly describe them as above and the terms of their leases.

Perpetual Industries leases a facility for it's operations and research and development work. It is located at 5634 Opportunity Blvd., Unit F Auburn, Indiana, USA, 46706. All equipment, tools and vehicles are in this location.
